

INDIAN RED CROSS SOCIETY – MUMBAI

Distribution of Redimmune Multivitamin Tablets

Redimmune Multivitamin Tablets may help us to increase our natural immunity and fight against coronavirus. Vitamins are the main building blocks of the body and help you maintain good health. Multivitamin supplements can also compensate for poor diets. Indian Red Cross Society-Mumbai patented this product – Redimmune Multivitamin Tablets.

Indian Red Cross Society - Mumbai launched this project on 29.09.2021 by Hon'ble Governor of Maharashtra Shri. Bhagat Singh Koshiyari, President of Indian Red Cross Society, Maharashtra State Branch. Redimmune Multivitamin Tablets were distributed to each parents of the students (underprivileged).
